3. Point-by-point response to Comments and Suggestions for Authors

Comments 1: To enhance the depth of the discourse, it is advisable to expand further on how these innovative viewpoints could be practically realized.

Response 1: Thank you for pointing this out. We agree with this comment. Therefore, we have added to the discussion section several paragraphs on how to practically realize the innovative viewpoints uncovered in this study and leverage the high level of awareness and recognition of sustainable interior design principles among professionals in Jordan, there are practical strategies, interior designers in Jordan can further advance sustainable interior design practices, capitalize on their awareness and recognition of sustainability principles, and contribute to the broader global shift towards more environmentally responsible and socially inclusive design solutions.

Comments 2: Further refinement is needed in the research conclusion section. Specifically, the authors' assertion that this study introduces an all-encompassing new framework prompts important questions: How should this framework be practically applied? Are there any inherent limitations that need to be acknowledged? Once these aspects are thoughtfully addressed and fine-tuned, it would be appropriate to revise and update the article's abstract to accurately reflect the refined content.

Response 2: Agree. We have, accordingly, made the following changes:

i. Add a paragraph in the Conclusions section on steps that interior designers, policy-makers, and relevant stakeholders in Jordan should consider to practically apply the framework developed in this study.
ii. Add a paragraph in the Conclusions section on the limitations of the study.
iii. The Abstract has been updated accordingly.

Comments 3: It's essential to meticulously review and ensure the manuscript adheres to the proper formatting standards. This will contribute to the overall professionalism and readability of the manuscript, enabling it to effectively communicate its valuable insights to its intended audience.
