First of all, we are very happy with your feedback, thanks for your help, our paper is even better than before with your contribution

Revisor 2

1. In Figure 14, please enlarge the legend.

Answer: done

2. While listing contributions, use the uniform style of upper- and lowercase itemizing.

Answer: when listing contributions we changed the style to lowercase because they are separated by a comma, only the first contributions is in uppercase because it is after.

3. In Figure 13, there is no color legend, need fixing.

Answer: done

There may be some other design and grammar flaws, please, inspect the manuscript properly.

Answer: we realized a detailed revision of our paper.
