Reviewer:

Comment: The revised version of this manuscript seems to be an interesting work. (2 refs. published in 2022 and 3 refs. published in 2021) More recent references published in 2021 and 2022 are recommended to be cited in the manuscript.

Response: Thanks for the comments and suggestions. More references published in 2021 and 2022 have been cited in the revised manuscript.
