The authors need to be clear regarding the contribution of their paper. The main contribution of the paper must be clearly stated in the abstract and at the end of the introduction.	Abstract, Lines 11-12, Page 1 1. Introduction, Lines 52-57, Page 2	The main contribution of this work was added.
The introduction section must be improved. A more comprehensive literature review must be included with more details regarding related studies so that the knowledge gap can be easily identified by the reader.	1. Introduction, Lines 22, 29, 36, 73, 75, Page 1-2	We added more references in the introduction to minimize the knowledge gap
The conclusions should include the results obtained in the tests. And compare with other papers	5. Conclusion, Lines 610-615. Page 24	We added a paragraph in the conclusion section explaining the results obtained and added references to similar studies.
