Also, we thank the referees for their comments and suggestions.

1- Regarding “Moderate English changes required”:

Answer: Yes, we think only some errors there because the paper was checked by English Native speaking, so we did some changes almost in the paper and it is checked again by English Native Speaking.

2- All typos errors mentioned by the reviewer have been corrected.

So, we would like to thank the first reviewer for his/her suggestions to make the paper better and it is welcome to follow more suggestions.
