Bucaramanga, 24 February 2023

Dear Reviewer

Subject:

Corrections to the article *"A retrospective approach to pro-environmental behavior from Environmental Education: An alternative from Sustainable Development"*

We thank you in advance for your comments, which helped us to improve the article. Once we received your feedback, we worked on the improvements and made the necessary adjustments.

The following is a description of the corrections made to the article with respect to the comments given.

In the Introduction section, final sections in paragraphs 4 and 5 with updated references to the subject matter are included.

The first paragraph of the Results section was moved to the Methods section.

The legends of Tables and Figures have been corrected.

In paragraph 8 of section 3.3, the section referring to Figure 4 was corrected.

In paragraph 9 of section 3.3, the section referring to Figure 5 was corrected.

Figure 6 was edited to make the text read properly.

In section 4.2 of the Discussion, 4 paragraphs that did not influence the context were eliminated.

The Conclusions section was extended, giving context to the present article and its influence on the subject.

The references have been reviewed and all the references listed in the text can be found in the References section.

Thank you very much for your kind attention.

Authors.
