Thank you so much for taking the time to review my [Effectiveness of Data Augmentation for Localization in WSNs using Machine Learning for the Internet of Things] and providing valuable feedback. I genuinely appreciate your thoughtful insights and constructive comments. Your input has been incredibly helpful in refining my work, and I'm grateful for your expertise in guiding me towards improvement.

- I reviewed the figures and made necessary corrections.

• I changed the structure of the abstract, incorporating background information about the topic and adding more sentences to increase its length.

• I included additional relevant information in the introduction. Instead of providing the definition of WSNs, I opted to use the acronym.

• I defined the symbols in all equations and highlighted this section.

• Before explanation of my results, I provided a brief description.
