Response to Reviewer 1 Comments

Summary

Thank you very much for taking the time to review this manuscript. Please find the detailed responses below and the corresponding corrections in the main text highlighted in red. We also simplified the keywords, added a map and made changes to table 1 without highlighting these changes.

Point-by-point response to Comments and Suggestions for Authors

Comments 1: Keywords should be simplified.

Response 1: We reduced the length of the keywords to a maximum count of two words in the revised manuscript (lines 16 and 17).

Comments 2: It is recommended that you rearrange the references in the last paragraph containing the hypothesis by moving them to the previous paragraph. In general, the last paragraph should contain the purpose and hypothesis of the article.

Response 2: We rearranged the last paragraph (lines 51 to 60) of the introduction in the revised manuscript so as to clearly state the hypothesis and the purpose of the article.
