Agriculture

Integration of UAV Multispectral Remote Sensing and Random Forest for Full-Growth Stage Monitoring of Wheat Dynamics

Manuscript ID: agriculture-3460378- Revised Version

For Editor

I have gone through the manuscript with the title " Integration of UAV Multispectral Remote Sensing and Random Forest for Full-Growth Stage Monitoring of Wheat Dynamics ". The topic and results are interesting and attractive.

I think that the study can be published in the Agriculture journal with these revisions.

I wish success to the authors in their study.

With Best Regards

Prof. Dr. Brahim BENZOUGAGH
