Response to Reviewer 2 Comments

Thank you for your advice. All your suggestions are very important and have important guiding significance for my thesis writing and scientific research work. I have revised the manuscript on the basis of your suggestion and carefully proofed the manuscript. The following is a description of the changes based on your comments:

Point 1: Fig. 2 should be replaced with a figure of better resolution. The fibers showed are quite blurred.

Response 1: The fiber picture has been retaken and modified as follows:

Point 2: the bibliography should be improved with other studies on the same topic. See for example:

Response 2: Other studies on the same topic have been referenced according to your suggestion, as follows:

Thank you again for your advice and hope to learn more from you.
