Dear Editor,

We would like to express once again our sincerest gratitude to the Reviewers for their efforts put in criticizing the manuscript. We have taken into account all raised questions here follows the detailed answers to the Reviewers. Moreover, all changes we have made to the original manuscript, are marked in the red color in the text.

Comments and Suggestions for Authors

The manuscript has considerably improved, the comments have been addressed. Most likely the authors used an automated reference manager as there are multiple mistakes in the reference list, which needs to be corrected.

Ref [4]: article number (035011) missing

Ref [8]: date should be 2019 instead of 2018, and 'Sustain.' should be 'Sustainable'; add DOI as for the other references

Ref [9]: remove city name

Ref [10]: ‘Sustain.’ should be 'Sustainable'

Ref [14]: page numbers are missing (172-178)

Ref [32]: title and page numbers are missing

Answer:

All mistakes in the references have been corrected.
